* Javascript

* Node and PHP

* React.JS / Next.JS

LANGUAGES

* English

* Spanish

* Portuguese

WEB DEVELOPER FRONT-END

 I have skills in web development, I created several personal projects with React and the next js framework. My main trait is that I enjoy learning. Whenever I come across new terms in the frontend ecosystem I already think about studying and putting into practice to master the Concept

PORTFOLIO

https://deny-site.netlify.app/

TECHNOLOGIES
